

Dear Parent/Carer

Reception - September 2024

In September 2024 your child will require a full time Reception place in a primary school. You will need to apply for a school place using the online application portal between the dates below:

Admission portal opens	Monday 2nd October 2023
Admission portal closes	Friday 24th November 2023

It is your responsibility to submit an application and apply on time. If you do not submit an application you will not receive a school offer. Your child will not be given a school place automatically.

Applications received after the closing date will be considered as LATE. Late applications will not be processed until after all on time applications that were received have been offered their school places on the statutory offer day.

Offer day for on time applications is 16th April 2024.

Important Information

- It is your responsibility to submit an application and apply on time. We cannot offer your child a place until you make your application. Your child will not be given a school place automatically.
- We will try and meet a parental preference however, please be aware that:-
 - Living in the catchment area does **not** guarantee your child a place at the school.
 - Having a sibling of statutory school age already attending the school does **not** guarantee your child a place at the school.
 - Attending the nursery class in a primary school does **not** give your child automatic right of entry into the Reception class and it does **not** guarantee your child a place at the school.
 - Attending a partner primary school does **not** guarantee your child a place at the associated secondary school.

- The application allows you to select more than one school preference. Please consider using all your preferences, you have three, as this will mean you will have more chance of being allocated a school place you would like. Please also consider using your catchment school as a preference.
- Have you considered Welsh-medium education for your child? For information on Welsh-medium education visit www.swansea.gov.uk/welshmediumeducation
- Changes to Welsh Medium school catchment areas were implemented in September 2021 and the catchment school for your home address may have changed. If you are not sure which English or Welsh-medium school is your catchment school and wish to check, please contact Admissions@swansea.gov.uk
- Do not assume you are in catchment just because you live near a school. Contact Admissions@swansea.gov.uk to check your catchment school.
- If you are applying for a place at a school that is not the designated school for your home address, the responsibility and the cost for getting your child to and from school lies with you as parent/carer. Please refer to our website for details of the local authority Home to School Transport Policy - www.swansea.gov.uk/schooltransport
- If you are living outside of the City and County of Swansea (i.e. you pay your council tax to a different local authority) we strongly advise that you also make an application with your own local authority, as in the event we are unable to offer your child a place at a Swansea school(s) that you have made a preference for, we will not offer your child an alternative Swansea school.
- Alternatively, if you reside within the City and County of Swansea and wish to apply for a school in another local authority, please contact the relevant local authority who will be able to advise you of their admission procedures. You can also apply for a place in a Swansea school in the event your out of county preference is not offered.
- If you have moved home recently, please ensure you have updated your address with your child's current school.

How to apply

The easiest way to apply is on-line. To do this you will need to register on the Swansea Council School Admissions website. You will need a valid email address. The system is compatible for use with a number of electronic devices, including mobile phones. The application process is very important and the Information for Parents 2024/2025 details how you should make an application, how places are allocated and the local authority's oversubscription criteria should a school receive more applications than there are places available.
